# Phases of Progress within a People Group

In some cases the 7 Phases are best applied to a place or geographic area

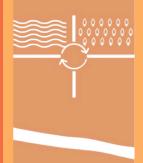

Identification of a team willing to own and implement a church planting strategy among a people group.

#### Gospel

Reports of workers sharing the Gospel with this people group with the intention of planting churches.

#### Believers

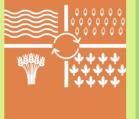

Reports of multiple people responding to the Gospel with repentance and faith. Multiple baptisms.

#### **Local Church**

churches
meeting
together for
worship and
teaching God's
word. Leaders
emerging.

### Churches Reproducing

Indigenous
churches
sending
indigenous
church planters
to their own
people group.

## Churches Multiplying

Indigenous
churches and
leaders
multiplying to
the 4th
generation.
Authority being
freely passed
down.

**Presence** 

10% of the population is following Christ or emergence of multiple indigenous church planting

networks.
